----------------	----------------

*Jumbo slabs are available in NSW, QLD, VIC and ACT.

Save more and expand your design options with Smartstone's new larger slab size.

- increased slab optimisation
- more cost effective per-square-metre rates
- reduced number of slabs required
- greater design options, such as larger one metre island benchtop and standard 600mm backbench from the one slab

The superior Veined Collection will continue to be available in the large, economical size of 3050 x 1600 x 20mm.
